

# Three World Wars

By David J. Stewart | March 2009 | Updated November 2015

***"For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way." — 2nd Thessalonians 2:7***

We are truly living in the End Times and the Beast system of the coming Antichrist is upon us. World War Three is around the corner and the Lord's return ever so imminent. Navy commander and prolific author, William Guy Carr, in his eye-opening book [PAWNS IN THE GAME](#), exposes the predatory elite Banksters who have financed every war and revolution on both sides since the Revolutionary War of 1776.<sup>[1]</sup>

Here is an excellent quote from the inspiring author, Henry Makow . . .

## Countdown to World War Three

August 15, 2004 | By [Henry Makow, Ph.D.](#)

Albert Pike 1809-1892

As fighting resumes in the holy city of Najaf, more may hinge on the outcome than we realize.

In a [provocative article](#), Joe Vials reveals that Iran and Saddam's Iraq have a covert military alliance and began joint preparations for this war after the Gulf War ended in 1991.

[Iran](#) already has nuclear capability and recently threatened to "wipe Israel off the map" if Israel attacked its nuclear facilities. Vials says the cleric Al Sadr is tied to the Iranians.

"As we shall see, if Moqtada al-Sadr is killed or maimed, we will be into an altogether new and exceedingly lethal ball game," says Vials.

As you know, a large part of the US fleet is out of port and probably near Iran. Many observers believe there will be a US attack on Iran after the US election, no matter who wins. Iran has a [military alliance](#) with Russia.

**These events should be seen in the perspective of [a letter written by Albert Pike](#), the Grand Commander of American Freemasonry in 1871**

**and published in 1925.** The letter foresaw three world wars designed to bring about Illuminati world hegemony.

Each war planted the seeds for the next. For example, the Second World War was designed to ensure the destruction of Germany, the expansion of Communist Russia and the establishment of the State of Israel. It unfolded exactly as Pike described and set the stage for the next war.

"The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World," Pike wrote.

"Agentur" means "agent." The same term is used in another Illuminati document "*The Protocols of the Elders of Zion*" which dates from the same period.

The *key* point here is these wars are *contrived*. They are "caused by agentur of the Illuminati" on *both* sides. These agents owe their first loyalty to the Illuminati not to their countries.

Their aim is to destroy their respective countries and profit from the carnage.

Pike continues: "The [third] war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other."

The rest of the world will be drawn in. "Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion..."

At this point they will be constrained to accept the Luciferian one-world government.

Iran is rumored to have missiles that would reach England. I suspect China is also being built up by the illuminati to attack and destroy the USA.

See ["Elite Sets the Stage for World War Three"](#)

Pike's complete letter and valuable background can be found on an excellent web site ["Three World Wars.com"](#) operated by Michael Haupt of Cambridge UK. Readers who object that the terms Nazism and Zionism were not known in 1871 should remember that the Illuminati *invented* both these movements.

The Illuminati refers to a tightly organized network of family dynasties representing Anglo American and European aristocracy and Jewish finance joined by intermarriage, belief in the occult, and hatred of Christianity. Freemasonry is their instrument. They care nothing for their non-Illuminati brethren, Jewish or not. They will destroy billions as they create a neo feudal world characterized by the superrich, their support staff, soldiers and serfs.

As you've read, Albert Pike (1809-1891) foretold of World Wars one and two and has provided us with vivid details of World War three. Pike was a 33rd degree Freemason and an admitted Luciferian worshipper. The [New World Order](#) is upon us.

Look closely at the following picture and you'll see clearly why Iran must be conquered by the elite Globalists...

Truly a picture speaks 1,000 words!

As of January 2011 the U.S. military has troops occupying every nation surrounding Iran. We will be going to war against Iran, it's just a matter of time. When it happens, it will happen quickly. Here are two historical books that describe what is happening in the world today with uncanny accuracy...

[World Conquest Through World Government](#)

November 2011...

[World War 3 Set Up By the Elites](#) (Iran attack is imminent; sits between Iraq & Afghanistan)

It appears that U.S. President Obama or his successor, possibly former Florida governor Jeb Bush in 2016, will lead the U.S. into an unprovoked war against Iran. Everything is being staged. Tragically, there will be much needless bloodshed! Iran will defend herself by launching attacks against America. It is very possible that we will see a preemptive U.S. nuclear strike on Iran. The sabers have been rattling for a long time, war is imminent. The global criminal elite want Iran badly and they will get it!!! Once this final acquisition is completed and another million people are dead (if not several million), the criminal globalists will own and control the entire Middle East.

Shortly after Iran is conquered, Chinese troops will likely police American streets, torturing and shooting patriots and Bible-believing Christians who fight against the New World Order. The North American Union will be completed in 2012 (which will effectively eliminate the Mexican and Canadian borders). [Elderly Losing Their Paid Homes Because of High Property Taxes](#) (Hell will be filled with bankers). America is falling apart across the board. Our economy has gone to ruin because of the criminal Federal Reserve Banksters (owned by the Rothschilds and other Illuminati families). As of November 2011, [10,400,000 American Families are Sliding Toward Losing Their Homes in Foreclosure](#).

Islamic Jihadist refugees are being forced into European and American culture. Our national borders are deliberately being left wide open by Illuminati-controlled top government departments for illegal immigrants to flood in by the tens-of-millions. [President John F. Kennedy Warned The American Public About A Secret Society Takeover](#). The Illuminati's goal is to destroy national borders, Christianity, individualism, traditional marriage, the family, culture and language. To succeed in constructing their diabolical New World Order, they first have to destroy the Old World Order. This is what the Latin words displayed on the [back of every U.S. one dollar](#) bill mean... "ONE OUT OF MANY," or, "ORDER OUT OF CHAOS"! The Latin 'E Pluribus Unum' means 'One out of many' (that is, order out of chaos) which is the foundation of the New World Order's plan to unify the world's governments, courts, religions and money systems under one umbrella so the world can effectively be controlled. [WHY THE ANTICHRIST MUST COME SOON!!!](#)

Crime will surge in the U.S. as Mexican drug cartels move north into the United States! Already the crime is awful. The [Elderly are Losing Their Paid Homes Because of High Property Taxes](#) (Hell will be filled with greedy bankers who steal widow's and the elderly's homes). America is falling apart across the board. Our economy has gone to ruin because of the criminal Federal Reserve Banksters (owned by the Rothschilds and other Illuminati families). This is all deliberate and leading to a breakdown of law and order, total anarchy in the United States, which [must happen before the Antichrist can rise up](#) as a savior of the world's economic woes. Remember, order can only arise OUT OF CHAOS!!!

When President Obama won the election for U.S. President in 2008, it was a beta test for the coming Antichrist. People were literally worshipping Mr. Obama, so much so that he even stated he "wasn't born in a manger" as some people had rumored about him. The very fact that Obama was compared to Jesus Christ (the only true Savior) is frightening. Some pictures even portrayed Mr. Obama hanging on a cross as a savior. There are still [YouTube videos of children singing praises to President Obama](#), which is the same propaganda technique used by the Nazi's during the era of Hitler Youth.

It conclusively proved to the global elite that the wicked world would eagerly bow and follow anyone who is of mixed race, intelligent, non-Christian, immoral on social issues and caters to homosexuals. The most important factor is the evil globalist-controlled [mainstream newsmedia](#). The criminal Bush administration wouldn't have gotten away with their part in the 9/11 attacks, and the illegal Iraq War atrocities, if it weren't for the complicity of the [ungodly American newsmedia](#).

As it appears before our very eyes on [every U.S. dollar bill](#), chaos will rise out of order...

- [New Street Lights to Have Homeland Security Applications](#) (all federally funded for the [NWQ](#))
- [Atlanta OKs Surveillance Center - Cameras to Watch City](#) (it's [worse](#) than George Orwell's [1984](#))
- [Homeland Security Spends Millions on Street Cameras Across America](#) (spy society is here)

A network of street cameras that record audio and video are now being installed nationwide. Homeland Security is spending billions-of-dollars on surveillance equipment in all of America's large cities. Eventually those living in smaller cities will be forced to move into the cities for medical, economic and oppressive new laws. The Trans Texas Corridor don't have on-ramps nor exits for smaller towns.

We will likely see schools and buses being exploded in the U.S. with massive bloodshed. Iranians have not attacked anybody. Much lying propaganda is being fabricated to demonize the Iranian people. They ought to call it "impropaganda," because there's nothing "proper" about all the bogus and malicious propaganda being fed to the American people. We are being lied to. We already know that WWII will be initiated by tension between the Arabs nations and Israel, and the world will be dragged into the conflict. I don't claim to understand it all, because I don't. I DO know that Satan is the god of this world (2nd Corinthians 4:4). I DO know that the Illuminati exist (who are Satan's willing servants, who rule the world), and that they have 100% hi-jacked the United States government via The White House since George H. Bush took office as U.S. President in 1988.

Let me quote to you again the words of Dr. Henry Makow, who is quoting Albert Pike...

**"The Third World War must be fomented by taking advantage of the differences caused by the 'agentur' of the 'Illuminati' between the political Zionists and the leaders of Islamic World," Pike wrote.**

**SOURCE:** [savethemales.ca](http://savethemales.ca) - [Countdown to World War Three](#)

My friend, what you just read is HAPPENING NOW!!! Listen to world news and you'll hear about Islamic Jihadists committing acts of terror. In November of 2015, 129 people were brutally murdered in Paris by radical Muslims on Friday the 13th!!! The Illuminati are going to nurture, supply weaponry and instigate both sides of the conflict, to ensure that World War III happens! This is all necessary to achieve World Government. The most important thing is that YOU make sure you've been born-again by faith in the Gospel of the Lord Jesus Christ, Who died on the cross for your sins, was buried, and raised up the third day for our justification. Don't be caught dead without Jesus!!!

Old men start wars, young men fight wars, and everybody in the middle loses! I say to everybody who wants to go to war, and approves of war... Send your money, send your kids, and send yourself... or shut your mouth! Leaders who want to go to war should be required to send their money, their children, and them self first. All wars would cease forever!

God is not a warmongering God. Proverb 20:18, "Every purpose is established by counsel: and with GOOD ADVICE make war." The Bible teaches going to war only by "good advice," not by maliciously staging events like the [Gulf of Tonkin](#) that drew America into the Vietnam War. God is a God of war, but not unjust wars. Our nation beared false witness against Iraq. God hates that kind of lying deception. We stole their oil. We murdered 1,455,590 Iraqis! Woe unto America!

The American people were lied to in 2001 to draw us into war against Iraq. It was an unprovoked war. We were told by the Bush Administration that Iraq had *Weapons of Mass Destruction*, but later *The White House* openly admitted that no such weapons were ever found. Yet the occupation of Iraq, and the theft of their trillions-of-dollars in oil, continue. A shocking 1,455,590 Iraqis have been brutally murdered and many tortured. What right does America have to do this woeful evil? Who do we think we are? God will punish us! Americans will soon learn they are not supreme. We are a hypocritical nation!

As I speak, a Police State is being empowered to enslave the America people. TSA are sticking their hands in passenger's pants and blouses at all U.S. airports, touching citizen's genitals. This type of intrusive tyranny will become commonplace to board a train, enter a sport's stadium, even go into a shopping mall. Wal-Mart has already installed 9,000 telescreens to recruit citizen spies, creating a paranoid society through fear-mongering, lying propaganda, and tyrant oppression.

America beared false witness against Iraq, killed over 1,300,000 Iraqi's and stole their oil (all violations of God's Ten Commandments). The American people are accountable for what **OUR** leaders do, with **OUR** money, in **OUR** name, and with **OUR** children in the military; hence, it is **OUR** business. Only a woefully ignorant or evil person would

dare claim that God approves of the [tyranny in Iraq](#). Everyone today is doing [what is right in their own eyes](#).

As mentioned earlier, every war and revolution since the Revolutionary War of 1776 has been financed on both sides by the International banking cartel, the elite Globalists, aka, the Banksters . . .

**“While the general public has been lead to believe that Communism is a movement of the workers (soviets) to destroy Capitalism, *Pawns In The Game* proves that both British and American Intelligence Officers obtained authentic documentary evidence which proved that internationalist capitalists operating through their international banking houses had financed both sides in every war and revolution fought since 1776.”**

**SOURCE: [Pawns In The Game](#)**

As believers, let us [redeem the time](#), for the [Lord's return is nearer](#) than ere before and we must work while it is still light. In John 9:4 Jesus said, “I must work the works of Him that sent me, while it is day: the night cometh, when no man can work.” May we abide in Christ and His Word abide in us that we may bear much fruit, i.e., souls saved. John 15:5, “I am the vine, ye are the branches: He that abideth in Me, and I in him, the same bringeth forth much fruit: for without Me ye can do nothing.” Amen!
